

Lite Series

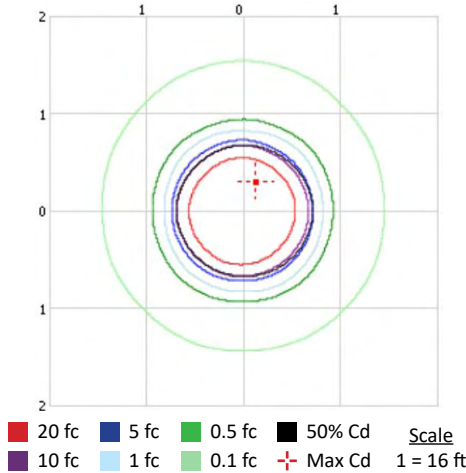

120W Flood Light

L x W x H = 17" x 13" x 7"

Watts	Lumens	lm/W
122	13,508	110.3

Footcandle Plot @ 16 ft

Description

Carson's 122W LED flood light saves 50% in energy costs when compared to 250W metal halide fixtures. The weather resistant, die-cast aluminum housing has an integral cooling fins to optimize convective and conductive thermal management. Trunnion arm mounts to building facade in commercial or industrial areas.

Key Features

- Uses Cree COB chip & Carson driver
- Rated for 50,000 hours
- 5 year warranty
- UL listing: E476588
- IP rating: IP65
- Power Factor: 0.98
- 110 lumens per watt
- Input voltage: AC 110V-277V
- Trunnion mount
- Die-cast aluminum housing with gray finish
- Corrosion and weather resistant powder coated finish
- Silicone gasketing seals lens (for wet locations)
- Vented housing isolates LED module from driver
- Annual Savings of \$79.72

Calculations are based on 4,380 annual hours of operation and \$0.14 average cost per kWh
